Tip. You may be able to get your tax return or return information from other sources. If you had your tax return completed by a paid preparer, they should be able to provide you a copy of the return. The IRS can provide a **Tax Return Transcript** for many returns free of charge. The transcript provides most of the line entries from the original tax return and usually contains the information that a third party (such as a mortgage company) requires. See **Form 4506-T, Request for Transcript of Tax Return,** or you can quickly request transcripts by using our automated self-help service tools. Please visit us at IRS.gov and click on "Get a Tax Transcript..." or call 1-800-908-9946.

If you would like to limit the third party's authority to disclose your return information, you can specify this limitation in your written agreement with the third party.
