

Plum Benefits Town of Westerly FAQ's

1.) What is Plum Benefits?

Plum Benefits, powered by TicketsatWork, is part of the nation's leading entertainment benefits and perks provider, connecting employees at participating companies to the world's greatest entertainment and travel discounts.

2.) How much is this costing the Town?

Nothing. There is no cost to the Town in partnering with Plum Benefits and offering this discount program. Event partners pay a fee to sell their services/tickets/discounts, etc. on the Plum Benefits site, so the employees get access to the discounts in one convenient spot.

3.) Can I find better deals through other places/research/websites/contacts?

Possibly. Plum Benefits is only one site that offers deals, discounts, reduced cost services and tickets. If you search you may find deals that are comparable or possibly even better than Plum Benefits. One of the benefits of a one-stop site like Plum Benefits is convenience.

4.) Can you give me an example of savings?

This example is based on Regal Cinema – Stonington (Adult Ticket).

# of Tickets	Regal Premiere Print-At-Home Ticket – All Times Plum Benefits	Fandango – Matinee	Fandango	Box Office – Matinee	Box Office	Super Tuesday
1	\$11.03	\$10.14	\$12.79	\$8.79	\$11.74	\$5.13
2	\$21.06	\$20.28	\$25.58	\$17.58	\$23.48	\$10.26
5	\$51.16	\$50.70	\$63.95	\$43.95	\$58.70	\$25.65

As you can see from the above the savings are based on what avenue you use to buy the tickets, when you see the show and convenience. This will be true with almost all savings/discount programs. So depending on your preferences Plum Benefits may or may not be useful for you specifically; however, it maybe useful for others. Try it out and see, you never know what you may find!
