CONSTRUCTION NOTIFICATION **DOWNTOWN/ BROAD STREET CULVERT REPLACEMENT**

September 19, 2017

Construction operations are scheduled to begin in early to mid-October of this year and are anticipated to be completed by the end of May of next year. NGrid gas must complete a gas main replacement project before construction can commence. Gas main work will take place over the next few weeks. Culvert replacement work will be divided into 4 segments each of which will require modified traffic patterns and some loss of parking.

The contractor for this work is D'Ambra Construction, Inc.

Construction will occur typically from Monday through Friday, 7 AM to 4 PM

Construction operations include:

- Utility relocation
- Culvert replacement
- Sporadic curbing removal and resetting, concrete work – Wheel Chair ramps and islands
- Crosswalk Replacement
- Roadway Replacement and re-striping

We are aware of the inconvenience caused by our activity and apologize in advance. Rest assured that we will do everything possible to minimize the impact of the construction to you.

If there are any questions regarding construction work, please contact the Project Manager, James Caroselli of CDR/Maguire Engineering at 401-258-2519.

Thank you in advance for your understanding and cooperation.
