Just that I live in town and am familiar with some of the public parking.

Provide a brief explanation of you interest in this board.

I have an interest in insuring that there is enough public parking available to ensure that Westerly residents have:

Suitable parking to be able to support small business downtown and other areas in Westerly.

Continue to have access to our shoreline in Watch Hill

Clear signs pointing to available public parking.

Etc....

Do you anticipate having to refrain from participating in discussion or voting on any particular matter(s) that may come before said Board, etc. because of a possible conflict of interest? If yes, please explain.
